GRADING SYSTEM

Each student is graded monthly for theoretical work. Students must maintain an 81% grade point average (GPA). Theory grades are based on assigned work and written test scores given upon completion of each subject.

Basic practical grades are determined by the practical competency exam administered at the end of basics class. Monthly practical grades are recorded on the student's Premiere report and based on quality of work, attendance, appearance and client and student relations. All practical and theory grades will be reviewed with the student after grading has been completed. Failure to maintain 81% in GPA could result in warning, probation or termination. Make-up assignments must be turned in and tests taken upon immediate return to school or as directed by their instructor. Failure to do so could result in an Incomplete Grade which will affect their GPA. (Please see Satisfactory Academic Progress Policy for additional information.)

All theory exams and practical exams must be completed before the student will be allowed to graduate and be eligible to take State Board exams.

The following grading system is used:

| | |
|-------------|--------------|
| A-Excellent | 100% to 93% |
| B-Good | 92% to 87% |
| C-Passing | 86% to 81% |
| D-Failing | 80% or below |

Headmasters School does not give Incomplete grades.

SCHOOL ATTENDANCE POLICIES

The school is open five (5) days a week. Students attend school Monday through Friday. Students may request to

attend extra hours to make up time. The school will try to accommodate these requests. If a student signs up for an extra day and no-shows, they may be suspended.

Attendance cannot be emphasized enough. You are preparing for a service career in a very people-oriented profession. Success is directly related to your dependability. It is the goal of the school to try to impress good work habits. We have an attendance policy that reflects the needs of this industry. Students who find it difficult to work within the requirements of our attendance policy may find they have a difficult time obtaining and maintaining a clientele.

Roll call is at 8:30 am. Students are expected to have eaten, have their make-up on, hair done and in uniform with name tag on before being credited with time. These are requirements from future employers. Students not complying will be asked to leave until they meet school standards. If, for whatever reason, you will be late or unable to attend school, **you** must call prior to scheduled time to clock in. When a student is not present at roll call and has not notified the school of their intentions, they will be considered absent and their appointments will be re-booked. If the student arrives late, the staff reserves the right to send the student home for the day. Students with excessive absences or tardy (more than three absences, or 5 lates that are unauthorized, in a month) may be given written notice that will result in probationary periods like those for satisfactory progress.

Theory class is scheduled for 8:30 a.m. on Monday through Friday, every week. Students are required to attend theory time. Students are not allowed to leave class during theory or when guest educators are doing a presentation. We do not eat or smoke during class time. Arrangements for missed work need to be made with the appropriate instructor upon returning from an absence.

Lunch breaks are one-half hour and are optional. Basic class lunch is scheduled at the instructor's discretion. Lunches for clinic floor students are marked out on the appointment book and are taken in between clients. It is important for students to realize that in this industry lunches are scheduled around the clients' schedule. There may be times when a student will not get a full half hour for lunch. This may depend on the student's bookings. If a lunch is taken, the school recommends staying until 4:30 p.m.

Breaks need to be limited to no more than two (2) five-minute breaks in order for the student to complete the course in the scheduled amount of time stated on their contract. Any student wishing to leave the building for an additional break is required to clock out. This is a school and, like all other schools, we have classrooms. Our classrooms are different in that the public is an important part of the learning experience and therefore have access to our classroom. This makes it important for us to conduct ourselves as professionals at all times.

You must be in attendance on all regularly scheduled days in order to complete the course in the time allowed on your contract. Additional tuition is charged for going **over your contracted time**. These charges of \$100 per day may be paid in full in order for the school to certify your hours for license. Headmasters School of Hair Design is a clock hour school, and does not have an excused absence's policy because the student must have a specific number of hours to graduate and be eligible to take state board exams. Simply put, the hours missed must be made up.

Students must meet the 80% per period attendance requirement. Attendance is absolutely necessary for your learning progress. If the student has not maintained an 80% average per period attendance they will be advised that they are not meeting Satisfactory Academic Progress. See the "**Satisfactory Academic Progress (SAP) Policy**" section for consequences.

The school may identify an absence as an authorized **unexcused absence**. Authorized **unexcused** absences include prearranged time off for special one-time only events. However, students still must meet the 80% average per period attendance requirement.

Suspensions are considered an unexcused unauthorized absence. The following actions may result in a suspension:

1. Failure to complete assigned written and practical work.
2. Insubordination or conduct not conducive to a professional environment (refusing to follow direction, instruction or acts of disobedience and rebellion).

3. Use of or under the influence of drugs or alcohol during school hours.
4. Use of profanity anywhere on school property.
5. Excessive unexcused absences and/or tardiness.
6. Not following dress code — including professional hair styles and makeup.
7. Repeatedly leaving the clinic floor without checking with your instructor.
8. Failure to notify school prior to 8:30 am during the week of tardiness or unexcused absences.

Students that are physically ill and unable to complete assigned work or appointments will be sent home. We cannot run an infirmary. This will count against their 80% per period attendance requirements.

Termination is the final disciplinary action against a student. The school is required to terminate any student who is not in compliance with the school's policies and rules, including attendance and satisfactory academic progress. Upon termination, the school will set up an appointment with the student to complete the necessary paperwork. Any refund of monies due will be returned to the appropriate parties. Tuition is prorated as stated on the enrollment contract. (Please see Refund Policy pages for further information.) Any student who has been terminated from the program and has been out of school for a minimum of thirty (30) days and wishes to return, must submit a letter to the school stating their desire and intention to correct previous concerns and complete training without interruption.

Due to the intensity of training during basics, any student who misses a total of 24 hours during the basic program may be dropped from the program and will need to apply for re-enrollment with the next scheduled class provided that space is available.

If a Student were to miss **14 consecutive days** (excluding days on an approved leave of absence), the school reserves the right to terminate enrollment of said student from the program regardless of student's communication with the school.

The school reserves the right to suspend or terminate any student from school for excessive attendance abuse, insubordination, refusing to cooperate with Staff, improper conduct, use of drugs or alcohol, bringing a weapon to school, use of profanity, failure to pay required fees or if in any way we feel a student is not adapting to our program. (For mitigating circumstance please see Appeal Procedures.)

Note: Students who re-enter will re-enter under the same Satisfactory Academic Progress status as in place at the time the student left. If the student was not making satisfactory progress at the time they left, the student would not be considered as being in satisfactory progress upon their return. If the student is considered to be out of compliance with satisfactory progress upon their return, they would be required to meet the attendance and academic progress requirements of at least one evaluation period of the course in order to be returned to satisfactory status within the program, which would be considered "the warning period" according to the Satisfactory Academic Progress Policy.

OUTSIDE HOURS

The school will accept outside hours when documented correctly. See outside hours sheet. Up to 30 hours will be accepted for Cosmetology. Up to 20 hours will be accepted for Esthetics.

LEAVE OF ABSENCE POLICY

Leaves of absence (LOA) will be granted to a student for no more than 180 calendar days in any 12-month period. These leaves must be requested in advance in writing, include the reason for the student's request and include the student's signature and approved by the School Administrator. Headmasters School of Hair Design will evaluate leaves and their length on a case-by-case basis. We will work with you to do a LOA over the telephone if necessary. A leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence.

An authorized leave of absence (LOA) is a temporary interruption in a student's program of study. Leave of absence (LOA) refers to the specific time period during a program when a student is not in attendance. Leave of absence (LOA) is not required if a student is not in attendance only for an institutionally scheduled break. However, a

scheduled break may occur during a leave of absence. In the event of extended absence, a leave of absence may be granted. Such leaves may also be granted for medical or bereavement reasons.

A leave of absence (LOA) must meet certain conditions to be counted as a temporary interruption in a student's education instead of being counted as a withdrawal. In order for a (LOA) to qualify as an approved (LOA), Headmasters School of Hair Design has established the following policy with regard to leaves of absence (LOA).

1. Students must follow the institution's policy in requesting an LOA. The LOA must be in advance unless unforeseen circumstances prevent the student from doing so. All requests for a leave of absence must be in writing, outlining the specific period of time in which the student will not participate in any educational activities provided by Headmasters School of Hair Design. The request must include the anticipated start and end date of the leave. The request must include the reason for the leave. The request must be signed by the student requesting the leave.
2. All leaves must be approved by an Instructor. Failure to gain approval for an official leave may result in unofficial withdrawal according to Headmasters School of Hair Design's withdrawal and termination policy.
3. Headmasters School may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if:
 - a. Headmasters School documents the reason for its decision;
 - b. Headmasters School collects the request from the student at a later date; and
 - c. Headmasters School establishes the start date of the approved LOA as the first date the student was unable to attend.
4. The student will not be charged during an approved leave. There will be no additional institutional charges as a result of the LOA.
5. A student will not be granted a LOA if the LOA, together with any additional LOAs previously granted, exceed a total of 180 days in any 12-month period.
6. Students that are granted a leave of absence (LOA) in accordance with Headmasters' policy is not considered to have withdrawn and no refund calculation is required at that time.
7. Contract will be extended by the same number of days taken in the LOA and such changes to the contract period must be either:
 - a. Changes to the enrollment agreement will be initialed by all parties; or
 - b. An addendum to the enrollment agreement must be signed and dated by all parties.
8. The student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA and that the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.
9. There must be a reasonable expectation that the student will return from the LOA.

Federal financial aid will not be disbursed during a period of leave.

Withdrawals are subject to the re-enrollment process. All Students considering a leave should seek advice from the Financial Aid Administrator to determine the impact prior to deciding on such leave.

According to Federal Requirements, financial aid will not be disbursed during a period of leave. A student who fails to return from leave will be terminated. If the student subsequently returns, the student will be considered a re-enrollment.

Note: If such leave is authorized, and the student was making satisfactory progress in the program before the leave, the student will be considered making satisfactory progress upon returning to the program. If the student was not making satisfactory progress when taking the leave, the student would not be considered as being in satisfactory progress upon their return. If the student is considered to be out of compliance with satisfactory progress upon their return, they would be required to meet the attendance and academic progress requirements of at least one evaluation period of the course in order to be returned to satisfactory status within the program, which would be considered "the warning period" according to the Satisfactory Academic Progress Policy.

FINANCIAL AID
Student Eligibility

Our basic eligibility requirements are that you must

- demonstrate [financial need](#) (for most programs);
- be a U.S. citizen or an [eligible noncitizen](#);
- have a valid Social Security number (with the exception of students from the Republic of the Marshall Islands, Federated States of Micronesia, or the Republic of Palau);
- be enrolled or accepted for enrollment as a [regular student](#) in an eligible degree or certificate program;

- show you're qualified to obtain a college or career school education.

You can show you're qualified to obtain a college or career school education by

- having a high school diploma or a recognized equivalent such as a General Educational Development (GED) certificate;
- completing a high school education in a homeschool setting approved under state law (or—if state law does not require a homeschooled student to obtain a completion credential—completing a high school education in a homeschool setting that qualifies as an exemption from compulsory attendance requirements under state law).

Student Rights and Responsibilities

Student Rights

As a student consumer you have the right to:

- know what financial assistance is available, including information on all federal, state, and institutional financial assistance programs;
- know the deadlines for submitting applications for each of the financial assistance programs available;
- know how your financial need is determined. This process includes how costs for tuition and fees, room and board, travel, books and supplies, and personal expenses are decided in developing cost of attendance budgets;
- know what resources (such as parental contribution, other financial assistance, student assets, etc.) are considered in the calculation of your financial need;
- know how much of your financial need, as determined by Headmasters School of Hair Design, has been met;
- request from the Financial Aid Office (FAO), an explanation of the various programs in your student aid package. If you believe you have not received the financial assistance for which you are eligible, you may request reconsideration of the award which was made;
- know what portion of the financial assistance received must be repaid, and what portion is grant aid. If the aid is a loan, you have the right to know what the interest rate is, the total amount that must be repaid, the payback procedures, the length of time you have to repay the loan, and when repayment is to begin; and
- know how the FAO determines whether you are making satisfactory academic progress, and what happens if you are not.

Student Responsibilities

It is your responsibility to:

- review and consider all information about the financial aid programs at Headmasters School of Hair Design prior to enrolling;
- complete all financial assistance applications and forms accurately, and submit them to the FAO by the appropriate deadlines;
- fill out the Free Application for Federal Student Aid (FAFSA) or Renewal FAFSA completely because it determines your eligibility for a wide variety of financial assistance. You may experience delays in receiv-

ing a decision about financial aid if forms are filled out incompletely or incorrectly. Falsification of information on application forms for federal financial assistance is considered a criminal offense, and you may be subject to penalties under the U.S. Criminal Code;

- respond quickly to all requests for additional documentation related to verification or corrections;
- notify the FAO if there is a change in any of the information reported on the FAFSA;
- read and understand all forms that you are asked to submit or sign, and keep copies of these forms. You are legally responsible for all agreements which you sign;
- notify your lender of any changes in your name, address, or school status if a loan is part of your financial aid;
- know and comply with Headmasters School of Hair Design's refund procedures, should you withdraw; and
- be formally admitted to Headmasters School of Hair Design in a degree-seeking program.

Parent Responsibility to Dependent Students

A basic assumption we make when awarding federal aid is that parents of dependent students have the primary responsibility to pay for their dependent children's education. It is the aim of the federal government to help financially needy families by supplementing the Expected Family Contribution (EFC).

To receive aid from the student aid programs you must have financial need, except for some loan programs. You have to have a high school diploma or GED, be enrolled or accepted for enrollment as a regular student working toward a diploma/certificate in an eligible program. You must be a U.S. citizen or eligible non-citizen. You must have a valid Social Security number and be making satisfactory academic progress. A signed statement on the Free Application for Federal Student Aid (FAFSA) certifies that you will use federal aid only for educational purposes. Signing the FAFSA also certifies that you are not in default on a federal student loan and that you do not owe money back on a federal student grant. Male students, if required, must be registered with the Selective Service. FAFSA's for the school year must be completed prior to receiving any monies after June 1st.

Students are asked to submit a Free Application for Federal Student Aid (FAFSA) for processing prior to enrollment. FAFSA's can only be completed on the World Wide Web, www.fafsa.gov. A financial aid counseling session will be scheduled before enrollment. At this time we will help you set up your financial budget and discuss with you the financial assistance you will qualify for during school.

Aid from most programs is awarded on the basis of financial need (except for unsubsidized Direct loans and all PLUS and Consolidation loans).

When you apply for federal student aid, the information you report is used in a formula established by the U. S. Congress. The formula determines your Expected Family Contribution (EFC), an amount you and your family are expected to contribute toward your education. If your EFC is below a certain amount, you'll be eligible for a Federal Pell Grant assuming you meet all other eligibility requirements.

Your EFC is used in an equation to determine your financial need:

$$\text{Cost of Attendance} - \text{EFC} = \text{Financial Need.}$$

If you have questions regarding financial aid, you need to contact the financial aid office. An appointment is recommended.

FINANCIAL AID CODE OF CONDUCT

The Higher Education Opportunity Act (HEOA) requires educational institutions to develop and comply with a code of conduct that prohibits conflicts of interest for financial aid personnel [HEOA § 487(a)(25)]. Any Headmasters School of Hair Design officer, employee, or agent who has responsibilities with respect to student educational loans must comply with this code of conduct.

The obligations in this Code of Conduct are in addition to any requirements imposed by state ethic laws, federal laws, or Headmasters School of Hair Design policies, i.e., the stricter standard of ethical behavior will apply in all instances.

3. No officer or employee of Headmasters School of Hair Design who is employed in the financial aid office or who otherwise has responsibilities with respect to education loans, or agent who has responsibilities with respect to education loans, or any of their family members, shall solicit or accept any gift from a lender, guarantor, or servicer of education loans.

For purposes of this prohibition, the term “gift” means any gratuity, favor, discount, entertainment, hospitality, loan, or other item having a monetary value of more than a de minimum amount. (The term includes a gift of services, transportation, lodging, or meals, whether provided in kind, by purchase of a ticket, payment in advance, or reimbursement after the expense has been incurred.)

4. An officer or employee of Headmasters School of Hair Design who is employed in the financial aid office or who otherwise has responsibilities with respect to education loans, or an agent who has responsibilities with respect to education loans, shall not accept from any lender or affiliate of any lender any fee, payment, or other financial benefit (including the opportunity to purchase stock) as compensation for any type of consulting arrangement or other contract to provide services to a lender or on behalf of a lender relating to education loans.
5. Headmasters School of Hair Design shall not:
 - for any first-time borrower, assign, through award packaging or other methods, the borrower’s loan to a particular lender; or

 - a specified number of private loans;
 - a specified loan volume of such loans; or
 - a preferred lender arrangement for such loans.

Opportunity pool loan means a private education loan made by a lender to a student attending the institution or the family member of such a student that involves a payment, directly or indirectly, by such institution of points, premiums, additional interest, or financial support to such lender for the purpose of such lender extending credit to the student or the family.

7. Headmasters School of Hair Design shall not request or accept from any lender any assistance with financial aid call center staffing or financial aid office staffing.
8. Any Headmasters School of Hair Design employee who is employed in the financial aid office, or who otherwise has responsibilities with respect to education loans or other student financial aid, and who serves on an advisory board, commission, or group established by a lender, guarantor, or group of lenders or guarantors, shall be prohibited from receiving anything of value from the lender, guarantor, or group of lenders or guarantors, except that the employee may be reimbursed for reasonable expenses incurred in the serving on such advisory board, commission, or group consistent with applicable Headmasters School of Hair Design policies.

Any and all reimbursements received for any service on advisory boards, commissions, or other groups by lenders, servicers or guarantors must be reported annually to the Department of Education.

DISBURSEMENT OF FINANCIAL AID CHECKS

Students' financial aid loan checks are disbursed to students within three (3) working days of receipt by the school provided the student meets eligibility requirements. Pell checks will be disbursed within three (3) working days of receipt by the school. All students must meet **all satisfactory academic progress (SAP)** requirements and have completed the proper number of hours student aid checks will be released. Refer to the SAP policy for more information. **Please note** students must be present in school for the entire day in order to receive a disbursement and checks will be distributed in the afternoon. Students who are on a leave of absence or on suspension will not be eligible to receive any financial aid awards.

CREDIT BALANCE

A *credit balance* results when the total of the credits posted to a student's account (e.g., payments, loan disbursements, scholarships, etc.) exceeds the total of the charges applied or applicable to the account for a specific payment period.

A *credit balance eligible for a refund* is one where all the applicable charges and credits have been posted to the account and his or her eligibility for such funds has been reviewed and confirmed or adjusted based on current eligibility, enrollment or any other applicable conditions. All post-withdrawal disbursements are applied to student account first, before any resulting credit balance is handled.

Anticipated funds, including anticipated financial aid, are not considered credits to a student's account until the funds have actually been disbursed to the account.

Accounts of students on a Payment Plan are not eligible for a refund unless the Payment Plan has been completed and paid in full, and payments exceed the applicable charges. Credit balances will be refunded within 14 days.

POLICY AND PROCEDURES FOR VERIFICATION

Headmasters School of Hair Design has developed the following policy and procedures for verification regarding the information provided by applicants for Federal Student Financial Aid under the Title IV Programs.

1. Only those students who are selected for verification by the U.S. Department of Education or who have conflicting information in their records will be required to submit supporting documentation. In most cases, the required documentation consists of a completed Verification Worksheet and a transcript of your tax records from the IRS.gov from the appropriate year. Any conflicting information in the student's file must be resolved before aid may be disbursed, regardless of the student's verification status.
2. No Federal Pell Grant, Campus-Based, or Subsidized Direct Loan Funds will be disbursed prior to the completion of verification. (Headmasters School of Hair Design does not offer Campus-Based Funds at this time.)
3. Students eligible to receive Pell or Direct Loans will have until 60 days after their last day of attendance or August 31, whichever is earlier, to complete verification. However, in the interim, the student must have made arrangements with the school for payment of all tuition and fees due or risk termination from the school. After the passage of the aforementioned period, all financial aid that might have been due is forfeited.
4. All students will be notified on a timely basis if they have been selected for verification and what supporting documentation is required. At that time the student will be informed of the time parameters and the consequences of not completing the verification cycle. The institution will notify the student of the results of the verification process and any other documentation needed. The institution will assist the student in correcting any information that is inaccurate and will notify any students verbally or via an award letter if an award changes. The institution will use as its reference the most recent Verification Guide supplied by the U.S. Department of Education.
5. If the student receives an overpayment based on providing inaccurate or conflicting information on any application and refuses to correct the information or repay the Federal funds after being counseled by the institution, the school will refer the case to the U.S. Department of Education for resolution. Unless required

by the U.S. Department of Education, no Federal financial aid will be disbursed to the student.

6. The financial aid file must be documented with the date that verification is completed. Subsidized Direct Loan checks are not to be released prior to this date.

PROFESSIONAL JUDGMENT

Section 479A of the Higher Education Act of 1965, as amended, authorizes the Financial Aid Administrator to use professional judgment, on a case-by-case basis for students with “special circumstances” that affect a family’s ability to pay for a college education that is not reflected in the information provided on the Free Application for Federal Student Aid (FAFSA).

The FAFSA is designed to determine a family’s ability to pay for higher education by calculating the Expected Family Contribution (EFC) amount. The EFC is a measure of how much the student and his or her family can be expected to contribute to the cost of the student’s education for the year. The information provided on the FAFSA is used to calculate the EFC.

Professional judgement can only be done after verification is complete if the student was chosen for verification. Professional judgment is used to take into consideration factors which have not been reflected on the FAFSA. The professional judgment may either increase or decrease data elements used to calculate a student’s EFC.

Professional judgment **cannot** be exercised for the following:

- to circumvent the law or regulations
- to waive general student eligibility requirements
- to change a student’s status from independent to dependent
- to adjust the EFC directly
- to alter the need analysis formula or change table values
- to create a new category in the cost of attendance

The Financial Aid Administrator is expected and required to make reasonable decisions that support the intent of the provision. The school is held accountable for all professional judgment decisions made and for fully documenting each decision. All decisions are final; there is no appeal process to the U.S. Department of Education.

If you would like to submit a request for a Professional Judgment, go to the website <https://www.headmasters.edu/professional-judgment> and complete and submit the Special & Unusual Circumstances Form.

DEPENDENCY OVERRIDE

Dependent students must report their parents’ income and assets on the FAFSA as well as their own. Parents of dependent students are expected to contribute toward the cost of their college education. Federal student aid programs are based on the concept that a dependent student’s parents have the primary responsibility for paying for their child’s education.

Sometimes extraordinary circumstances make it impossible for a student who does not meet the definition of independent to obtain his or her parents’ financial information. In extremely rare cases, Headmasters School of Hair Design may authorize a Dependency Override. If the school grants a Dependency Override, the student can apply for aid in the same manner as an independent student, using only the student’s income and asset information.

Headmasters School of Hair Design will only consider documented cases of child abuse or the current and continuing incarceration/institutionalization of the custodial parent as being extraordinary circumstances.

Note: In most cases the non-custodial parent would then become the custodial parent.

Headmasters School of Hair Design will not grant a Dependency Override when the sole basis for the request is that parents do not claim the student on income tax return, parents do not wish to provide income and tax information, parents simply do not wish to contribute to educational expenses or the student is self-supporting.

Students who wish to apply for a Dependency Override must submit the following documentation:

- A letter of explanation, written by the student, explaining the extraordinary family circumstances that led to the student leaving the parent household. The letter must include information on the student's means of support since leaving the parent household.
- Letters (on letterhead) from three professionals detailing their first-hand knowledge verifying the family circumstances as described by the student. Professionals may include guidance counselors, clergy members, teachers, doctors, family counselors, mental health professionals and law enforcement personnel. The letters must include the professional's name, job title and contact information. In most cases, court documents will be requested.
- Copies of the student's federal income tax return transcripts for the current and preceding year.
The letter of explanation requesting a Dependency Override along with all required documentation should be sent to the Financial Aid Administrator.

If you would like to submit a request for a Dependency Override, go to the website <https://www.headmasters.edu/professional-judgment> and complete and submit the Special & Unusual Circumstances Form.

POLICY AND PROCEDURES FOR SECONDARY CONFIRMATION

Headmasters School of Hair Design has established the following procedures relative to the secondary citizenship confirmation process for Title IV financial aid applicants who have indicated that they are eligible non-citizens or permanent residents of the United States. If the primary confirmation process does not confirm eligible Title IV applicant status and the student submits reasonable evidence of eligible status, the school will initiate the secondary confirmation process.

ALL STUDENTS WHO INDICATE AN ELIGIBLE STATUS BUT WHOSE ELIGIBLE STATUS IS NOT CONFIRMED BY THE CENTRAL PROCESSING SYSTEM OUTPUT DOCUMENT WILL BE GIVEN A COPY OF THESE PROCEDURES.

1. Students have thirty (30) days from the date the institution receives the output document or thirty (30) days from the student's receipt of this document (whichever is later) to submit documentation for consideration of eligible non-citizen status.
2. Failure to submit the information by the deadline prevents the institution from disbursing any Title IV funds or certifying the student as eligible for any Title IV funds.
3. The institution will not make the decision regarding "eligible non-citizen" status without the student having the opportunity to submit documentation supporting a claim of eligibility.
4. Students must submit documentation of their current immigration status to the Financial Aid Office. This documentation must be an official document from the Immigration and Naturalization Service (INS). In order to initiate the required process, students must submit INS documents which are legible and which demonstrate the latest status with INS.

SATISFACTORY ACADEMIC PROGRESS POLICY

The Satisfactory Academic Progress (SAP) Policy is consistently applied to every student enrolled in a NACCAS-approved program at the School. SAP is applied consistently to all students enrolled in all our programs and for full-time students (we do not accept part-time students). The School measures SAP for each student by monitoring both academic performance and maximum time frame for completion. In order to be considered in compliance with the SAP policy, all students must meet the School's policy regarding academics and attendance at the time of official progress evaluations. The SAP policy is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Premiere student record keeping software is used by the school as our official way of tracking a student's hours, GPA and minimum state requirements.

ACADEMIC YEAR DEFINITION

| PROGRAM | ACADEMIC YEAR | | TOTAL LENGTH | |
|------------------------|---------------|-------|--------------|-------|
| | CLOCK HRS | WEEKS | CLOCK HRS | WEEKS |
| Cosmetology | 900 | 28 | 1600 | 50 |
| Cosmetology Instructor | 1000 | 30 | 1000 | 30 |
| Esthetics | 900 | 26 | 600 | 20 |

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows for Cosmetology, Cosmetology Instructor, Esthetics and Transfer Students. Progress records are kept by the school and furnished to students. Evaluation periods (which may coincide with payment periods for purposes of Title IV funding, if applicable), will be as outlined below:

Cosmetology (1600 clock hours):

- 1st Evaluation Period Ends: 450 Clock Hours and 14 weeks
- 2nd Evaluation Period Ends: 900 Clock Hours and 28 weeks
- 3rd Evaluation Period Ends: 1250 Clock Hours and 39 weeks

Cosmetology Instructor (1000 clock hours):

- 1st Evaluation Period Ends: 500 Clock Hours and 15 weeks

Esthetics (600 Clock Hours):

- 1st Evaluation Period Ends: 300 Clock Hours and 10 weeks

Transfer students will be evaluated midpoint of the contracted hours or the established evaluation periods, whichever comes first. The school shall evaluate students' (academic and attendance) Satisfactory Academic Progress at the conclusion of each evaluation period. (Headmasters School of Hair Design has chosen to omit evaluations at the conclusion of the last evaluation period within a program.) All evaluations must be completed within seven (7) school business days following the established evaluation periods. If a student is absent on the day of evaluation, the student will be evaluated on their first day of attendance after the evaluation. Evaluations are based on actual hours completed. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. Students will be notified of all evaluation results.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to maintain a minimum cumulative attendance average of 80% in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The school requires a student to progress through the program toward graduation within an established timeframe. The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below. This quantitative measure of progress will be reviewed during each Official Evaluation period thereafter. If at any time it is determined that a student is unable to complete the program within the maximum established timeframe, the student will be deemed to be in unsatisfactory progress and, therefore, ineligible for financial aid (if applicable) and may continue as a student at the institution on a cash pay basis.

| PROGRAM | MAXIMUM TIME ALLOWED | |
|---|----------------------|-----------------|
| | WEEKS | SCHEDULED HOURS |
| Cosmetology (Full time, 32.15 hrs/wk) – 1600 Hours | 63 Weeks | 2000 Hrs |
| Cosmetology Instructor (Full time, 33.34 hrs/wk) – 1000 Hours | 38 Weeks | 1250 Hrs |
| Esthetics (Full time, 34.62 hrs/wk) – 600 Hours | 22 Weeks | 750 Hrs |

The maximum time allowed for transfer students who need less than the full course requirements will be determined based on 80% of the scheduled contracted hours.

All payment period in a program count toward the maximum time frame for completion, even when a student does

not receive any Title IV aid during one or more payment periods for that program.

Each student will be evaluated as to whether they are making Satisfactory Academic Progress regarding their attendance. In order to graduate within the Maximum Time Frame for all courses, the student must complete within 125% of their scheduled completion date: 2000 hours for Cosmetology, 1250 hours for Cosmetology Instructor, and 750 hours for Esthetics.

Students who have not completed the course within the maximum timeframe shall be terminated from the program. The student may thereafter be permitted to re-enroll in the program on a cash-pay basis consistent with the re-enrollment provisions of the institution's admissions policy. (Note: Students who do not complete the course after the normal time frame, as stated in the contract, may be charged additional tuition at the rate of \$100.00 per day.)

ACADEMIC PROGRESS EVALUATIONS

Students must maintain a minimum 81% cumulative academic average. The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the practical assignment/performance does not meet satisfactory requirements, it is not counted and the practical assignment/performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

| | |
|---------------|----------------|
| 100% - 93% | EXCELLENT |
| 92% - 87% | VERY GOOD |
| 86% – 81% | SATISFACTORY |
| 80% and BELOW | UNSATISFACTORY |

DETERMINATION OF PROGRESS STATUS

Students who meet the minimum requirements for attendance and academic performance at the evaluation points are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each evaluation. Students not maintaining Satisfactory Academic Progress are no longer eligible for Title IV Funding, unless on warning or prevailed upon appeal of the determination that has resulted in the status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress at an evaluation period are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period. A student on financial aid probation may receive title IV, HEA program funds for one payment period. The School will require the student to complete a probation worksheet with an Instructor. On the worksheet the School will require the student to fulfill specific requirements such as developing an academic plan to qualify for title IV, HEA program funds. If the student is still not making SAP after the probation period (that would be graduation by that time) the student would not graduate until they are meeting SAP requirements.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the evaluation period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Course incompletes do not apply to the school. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluations will only be based on actual hours contracted at Headmasters School of Hair Design.

INTERNAL COMPLAINT PROCEDURE/STUDENT & STAFF GRIEVANCE POLICY & PROCEDURE

Students and staff are expected to try to resolve any matter of dissension by meeting with the student(s) and staff member(s) involved. If he or she feels their concerns are not being satisfied through this course of action, they may then file a written complaint with the owners of Headmasters School of Hair Design. This conference will be documented and a copy given to the parties involved at the time of the meeting. If after careful evaluation, the problem cannot be resolved through discussion, the grievance will be referred to the school's complaint committee. The school's complaint committee will meet within twenty-one (21) calendar days of receipt of the complaint and review the allegations. If more information is required from the complainant, a written letter outlining the additional information will be sent out. If no further information is needed the complaint committee should act on the allegations and a letter be sent to the complainant within fifteen (15) calendar days. The letter will address the steps taken to correct the problem, or information to show that the allegations were not warranted or based on fact.

If the complainant is not satisfied with the decision made by the committee, he or she may pursue the matter further. This can be done by filing a formal complaint with our accrediting agency listed below:

- All students are required to complete Exit Counseling when they withdraw or graduate if they have a loan.

RETURN OF TITLE IV FUNDS (R2T4)

If for any reason a student does not complete their registration contract and has received Title IV Funding, a refund calculation will be processed using the Return to Title IV Funds worksheet distributed by the U.S. Department of Education. The student will be responsible for any money left owing the school according to the Institutional Refund Policy. The student will also be responsible for their portion of R2T4 calculations. If the R2T4 calculation results in a credit balance on the student's account, the credit balance will be disbursed as soon as possible and no later than 14 days after the calculation of the R2T4.

Return of Title IV Policy - FEDERAL REGULATIONS 668.22 - The institution makes readily available upon request to enrolled and prospective students a summary of the requirements for the R2T4 grant or loan assistance.

Students who withdraw from all classes prior to completing 60% of the semester will have their financial aid eligibility recalculated. Based on the percentage of the semester completed, students will be required to repay any unearned financial aid they received.

Upon determination of the student's last date of attendance, the Return of Title IV funds will apply.

for the term.

If the student is required to pay back money to the federal programs they will not be eligible to receive additional federal Title IV financial aid until the federal aid has been paid back.

UNOFFICIAL WITHDRAWAL POLICY

An **unofficial withdrawal** will result if you stop attending Headmasters School of Hair Design but don't officially withdraw. A student may be unofficially withdrawn when 14 days have passed since their last day of physical attendance that is not on an approved leave of absence.

The school will monitor clock hour students' attendance at least every thirty (30) calendar days. For unofficial withdrawals a student's withdrawal date at a school that is required to take attendance is their last day of physical attendance. Their date of determination **must** be within 14 days after they cease attendance. Upon determination of the student's last date of attendance, the Return of Title IV funds will apply.

If the institution is required to send money back to the federal programs (refund) the student may have institutional charges for the term.

If the student is required to pay back money to the federal programs (refund) they will not be eligible to receive additional federal Title IV financial aid until the federal aid has been paid back.

CONFIDENTIALITY – FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

Students (or parents or guardians of dependent minors) may gain access to their files (which are kept in the Financial Aid Office) during school hours by making an appointment with the appropriate school personnel. Files are not to be removed from the office. Since students receive copies of all pertinent information in their files, additional copies of documents in the student file will be given to students upon request at the rate of One Dollar and No/100 (\$1.00) per copy.

Students may request their transcript from the Financial Aid Administrator/Registrar after their fees have been paid in full.

No information concerning a student will be released to anyone without specific written permission of the student and parents or guardians of dependent minors.

The school will release information from files regarding attendance, progress, financial status and other official information to any Regulatory Office to include, but not limited to, the U.S. Department of Education, National Accrediting Commission of Career Arts & Sciences (NACCAS), State of Idaho and Northwest Education Loan Association (NELA) as required for any accreditation process.

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a Federal law which states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student education records.

DIRECTORY INFORMATION: Headmasters School of Hair Design considers the following Directory Information and WILL release this information WITHOUT the written consent of the student. Upon request, Headmasters School of Hair Design discloses education records without consent to officials of another college in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for the purposes related to the student's enrollment or transfer.

DISCLOSURE: Those members of Headmasters School of Hair Design who act in the student's educational interest within the limitations of their "need to know" have access to student education records. These personnel are referred to as "school officials". No one outside the institution shall have access to, nor will the institution disclose any non-directory information from a student's education record, without the written consent of the student except to those with a legitimate educational interest as listed below:

- Appropriate high school or transfer school officials;
- Authorized officials conducting audits or evaluations;
- Appropriate parties in connection with financial aid to a student;

The release of information to those having legitimate educational interest does not constitute authorization to share that information with a third party without the student's written consent.

The Registrar shall decide the legitimacy of requests for student information. However, if the Registrar is served with a subpoena requesting student information, the Registrar must comply with the request. Before doing so, the Registrar shall attempt to notify the student of the subpoena in advance of compliance so the student may seek protective action, unless the disclosure is in compliance with a subpoena issued by an agency that has ordered the contents of the subpoena, or the information furnished in response to the subpoena, not be disclosed.

Information on deceased students will only be made available to survivors or third parties via a subpoena to the Registrar.

The Solomon Amendment requires colleges and universities to release information regarding enrolled students to the military for recruitment purposes. Students may restrict disclosure to the military by restricting all disclosure of personal information.

Students or guardians of dependent minors may submit a "Directory Information Restriction Request" form to the Financial Aid Office to prevent directory or non-directory information from being released. This Restriction form will be honored by Headmasters School of Hair Design until rescinded in writing by the student.

STUDENT RIGHTS: FERPA affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The Headmasters School of Hair Design official will make arrangements for access and notify the student of the time and place where the records may be inspected. - (2) The right to request the amendment of the student's education records that the student believes is inaccurate or misleading. Student may ask the School to amend a record that they believe is inaccurate or misleading. They should write the school official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the student, the School will notify the student of the decision and advise the Student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

SAFETY

INTRODUCTION

This chapter has been designed to inform all Headmasters School of Hair Design Students and employees about its safety procedures and policy. The safety of our students and employees is an important concern of management.

**These are all great adjectives that describe how we should treat our clients,
our fellow co-workers and our salon/school and its equipment.**

- **PROTECTED:** It is your responsibility to protect your client, to protect your co-worker and to protect yourself. You cannot rely on anyone else to protect these aspects, except you.
- **UNINJURED, OUT OF DANGER:** It is your duty to keep your clients uninjured and out of danger.
- **NOT INVOLVING RISK:** Never take a risk that will jeopardize the safety of anyone or anything. Always think of the outcome before taking that first step.
- **TRUSTWORTHY:** Clients and students put their trust in you every day. Never let that trust be a sign to throw caution to the wind. They trust you to keep them safe and protected. Be true to your word.
- **SURE, RELIABLE:** Be sure of what you do at all times. The public relies on your abilities; do not let them get injured.
- **CAUTIOUS:** Always be cautious in every step or procedure you do. Never assume that someone else has taken or is aware of the safety precautions that we hold to be true. Never rush or hurry, this will make you skip safety measures and client protection will suffer.

REMEMBER: ALWAYS TREAT EVERYONE AS YOU WOULD WANT THEM TO TREAT YOU!!

EQUIPMENT

- Do not leave irons or other hot items unattended. This could cause serious burns to students, clients and small children. Also, it is a fire hazard.
- Do not leave electrical equipment plugged in when not in use. Example: When at lunch, break or after hours. This could cause fires or harm to others.
- Hydraulic chairs are not toys. They should be kept in a down and locked position unless in use. Do not allow children to play on or around them.
- Dryers should always be double checked for proper drying temperature. Do not assume all dryers heat the same. This can cause burns, over or under processing of chemical services.
- Squirt bottles are to dampen client's hair, not to use as a toy water gun. Do not allow children to play with them. This is not only causing a danger by wetting the floor, which can lead to someone slipping, but it makes you and the school look very unprofessional.

CLIENT SAFETY

1. CHILDREN

- Children must be supervised by their parents at ALL times. This is a place of business, not a playground. Get an instructor if you are unable to convince the parents to control their children. Students and staff must refrain from holding, lifting or carrying children that are not their own.
- Do not allow children to play on or around hydraulic chairs. These are not toys and could cause serious injury.
- Do not allow children to run, play or be unattended. Children must sit and act in a civilized manner. Running children can hurt themselves, hurt students and could seriously hurt elderly patrons.

2. SENIOR PATRONS

- Help them up and down the ramp areas.
- Help them in and out of your chair. Elderly people sometime have problems getting up and down from chairs. Remember to put your hydraulic down and locked before doing so.

3. GENERAL CLIENT PROTECTION

- Never leave a client alone with any type of chemical on their head. This is an accident waiting to happen. No two chemicals ever act or react the same on any one person. Even if you have done that same service on that same client, it may not react the same this time. You must be aware and practice client protection at all times.
- Always use the proper drape for the service that you are about to perform. Use a plastic or waterproof cape for any type of chemical or wet service. Always use cotton or linen for a thermal (heat) type of service. A hot iron and plastic does not feel good against your client's skin. And never reuse a cape without protecting your client skin with a sanex strip or clean towel.
- Always make sure that management is aware of snow that needs to be removed to avoid client endangerment. Rain or snow can cause someone to slip and fall and cause serious harm to themselves.
- Only those receiving services will be permitted on the clinic floor during business hours.

STUDENT PROTECTION

SANITATION

1. Do not store lunches in refrigerator more than 24 hours. The break room refrigerator is not a storage locker for unwanted half eaten food. The refrigerator will be cleaned out once a week and all perishable food items will be properly disposed of. Refrigerated condiments, i.e. ketchup, mustard etc., will be checked weekly for freshness.
2. Sanitize all implements after each use. Due to numerous contagious diseases you MUST sanitize after each client. They count on you to protect them. You should also protect yourself. Remove everything from your countertop each night and sanitize it thoroughly. IT'S THE LAW.
3. Wipe water/spills off floors immediately. Please wipe up any spill immediately; slips can permanently hurt someone.
4. Sweep up hair as soon as haircut is finished. This should be done immediately after the cut, before you call for a check. And never sweep it into a corner or continue to style the hair. Blow dryers will spread it throughout the salon. People will track it with their feet.

FIRST AID

1. The First Aid Kit for the school is located in the dispensary. Notify an instructor immediately when first aid treatment

is required for any student.

2. Any person witnessing a life-threatening incident will go to the nearest phone and dial 911. All minor injuries will be reported to an instructor for appropriate action.

BLOOD SPILLS

Blood Spills should be handled as instructed in your basic program and should be followed as outlined by the Board of Cosmetology. Blood Spill Kits are located in the dispensary.

FIRE EXTINGUISHERS

1. Fire extinguishers are strategically located throughout the building. Extinguishers are serviced annually. Instructions for their operation are located on labels attached to the extinguisher. Anyone noticing a fire will warn everyone in the school of such before vacating the building or attempting to extinguish the fire.
2. Fire exit signs are located throughout the building and identify appropriate exits to be used in case of fire.

DRUG AND ALCOHOL ABUSE POLICY

The Drug and Alcohol Abuse Policy (DAAP) is located in the [Annual Security Report](#).

The Biennial Review is located in the [Consumer Information](#) document under the category “Drug and Alcohol Abuse Prevention.” A copy is available upon request.
